

## m/y SUPERFUN

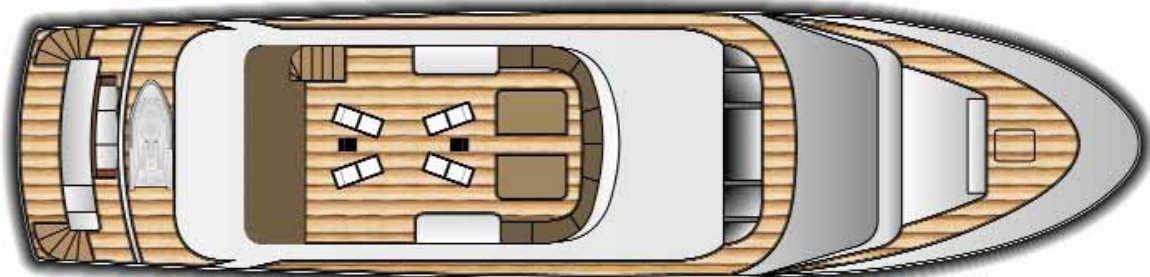

Motor yacht SUPERFUN (ex: Bossanova, Mahogany, Winged Glory and Wal Miki Due) measures 39,84m (130' 8") in length and was built in 1993 by Cantieri Rossato. The yacht SUPERFUN has since received several refits to maintain her high standards and to create added comfort for charter guests.

Motor yacht SUPERFUN received a refit in 2001 where she was lengthened by 7m. In 2003 - 04 the yacht received a full refit and design which created more deck space on the sundeck to allow alfresco dining for up to 25 guests. The yacht was again updated in 2007/08/09 when she received further modernization to her interior. She is now the ideal yacht for corporate functions and event charters. As well as alfresco dining option on the top deck, there is also the possibility for comfortable alfresco dining on the aft deck as well as formal dining in the yacht's interior.

SUPERFUN can accommodate 10 guests in 5 cabins. Her master suite is located on the upper deck while her three queen staterooms and one twin guest cabin are located on the lower deck. All cabins have an en suite shower room.

The solid 40m motor yacht SUPERFUN cruises at 12 knots, has a crew of 8 and charters in both the Western Mediterranean and the Caribbean. She has a good selection of water toys including a 3 and a 2 man wave runner.
